3. Information Reports Tutorials

25X1

On 10 December the one-week IR Fam Tutorial for two students was completed. [Redacted] Chief Instructor, reports that this was an interesting tutorial since one of the students was a Reports Training Officer from [Redacted]. As a result of this instruction he will be able to bring his reports training up to date. On 13 December [Redacted] started a second one-week IR Fam Tutorial for four students.

Excluded from automatic
downgrading and
declassification

4. Clandestine Services Review No. 48

On Tuesday, 7 December CSR No. 48 began in Room 1A-07 Headquarters with 33 students. The course got off to an extremely good start with two fine presentations; one by [redacted] IS/TR, on the "Intelligence 25X1 Community and CIA Organization", and the other by Mr. John Clarke, PPB, who gave the class a presentation on the present and future programs of the Agency which was an abbreviated version of the same briefing given to the DCI and DDCI. For the first time we have assigned one instructor for each of the student committees as faculty advisor. The committee presentations will take place from 13 - 15 December. We are also presenting questions for the DDP's presentation scheduled for Thursday, 16 December at 1500, according to the new format and procedure established by the C/OS/TR.

5. Vietnam Orientation Seminar No. 2

VOS No. 2 began on 13 December in Room GA-13 Headquarters. Although a total of 32 students were enrolled in the course, only 20 appeared for the first presentation made by the C/FE. The course remains essentially the same as VOS No. 1 with three major additions: (1) two hours are to be presented by [redacted] A&E Staff, on [redacted]

6. Other Activities

25X1

a. Project USEFUL

B
On 13 December CH/OS/TR met with C/WPS and [redacted] WPS, to formulate plans for the one-week Project USEFUL which we understand has been approved by the DDP for presentation during the week of 18 - 22 April 1966.

b. Special Briefing

25X1

On Friday, 17 December members of the Operations Faculty, Headquarters Training will brief [redacted] and the DDTR on recommended changes for CSNC, ROC, CI Fam, and CI Ops Courses. If time permits, we shall also discuss plans for the future presentations of the Advanced Ops Seminar.
